

# 'Rio de Vida'

## Eagles' Class Newsletter July 2017 (Term 6)

We have had a wonderful term, learning about carnivals and Brazil!

The children have had lots of fun thinking about carnivals, participating in a carnival parade around the village and making lots of bright themed items.

We turned our role play area into a home corner, where the children have acted out home life. In Numeracy they have been learning their number bonds to ten and beyond, simple additions and subtractions, place value, times tables, fractions and division facts, money and capacity and volume and continuing to explore number patterns. In Literacy we have researched famous Brazilian sports people, linking with our topic theme and learnt poems and in our class discussions have thought about what carnivals and costumes.

The children have created some fantastic topic work this term, including decorated parrots, Brazilian art, headdresses and carnival themed art.

We are looking forward to our topic in Eagle's class next term which will be 'Memory Box'. Can you remember being small? Being a baby and learning to crawl? Do you recall a favourite toy, maybe a teddy bear or a best-loved book? Memories are special... Let's make some more!

We are planning to write diaries of days gone by, and finding out about days before we were born. We are going to make a special memory box to keep special things in. These are just a few of our planned activities, but there will be many more fun things happening throughout the term.

Thank you to parents/carers for your continued support and would like to wish you all a good Summer break.

Mrs Evans and the Eagle's Team.
