

Falcons Newsletter July 2017

What an amazing year this has been. The Year 6 SAT results were truly wonderful, and a great reflection of all the hard work of the children. The year 6 children have demonstrated how able they are academically, and throughout the year they have also shown their skills on the sports field, at a host of sporting fixtures.

This term we have been looking at The Egyptians. It has been fascinating to learn about this period. We especially enjoyed looking at mummification and making our own Egyptian coffins. One particularly memorable lesson was where we created our own Egyptian dance.

We are sad to see the Year 6 move to their new schools but are sure they will continue to do their best and achieve.

We are already looking forward to the new academic year with the new Year 6 where our first topic will be "Peasants, princes and Pestilence" where we will be learning all about the Plague.

Enjoy a well deserved summer break
