

## Kestrels Term 6 Newsletter July 2017

What an exciting term we have had; carnival, baking bread, Internet Legends assembly. The children have learnt so much about Brazil and Rio. They have made a book for Eagles to read all about Brazilian instruments and design and made their own instruments too. Kestrels' have used 2animate to create their own mythical character animations. We all really enjoyed the visit from Google teaching us all about internet safety.

The children had great fun on the carnival – even if it was very hot!

Our topic next term will be Tribal Tales. During the summer holidays it would be great if you could find the time to visit Rollright Stones.

Have a wonderful summer everyone.

Mrs Ruffle, Miss Wright and Mrs Guinness
