

Dear Parents

Sometimes we are faced with the unexpected. Sometimes this is something for the good and sometimes it is the opposite.

Earlier this year one of our families was faced with the very sudden and unexpected loss of a son, brother and uncle. This had and still has a devastating impact on the family.

Despite their loss the family wanted something good to come out of it and as a result nominated Wroxton to receive a share of the donations that were collected at the funeral.

This morning I opened the post to find a letter and a cheque for our school. We have been given £289.35. I have already thanked the family on behalf of our school and have asked for permission to put it on the newsletter.

We will be liaising with the family to ensure that whatever we do is a fitting tribute.

I am sure you will join me in adding your own thank you to this generous gift.

Have a lovely weekend.

E-Safety tips

Does your child want to be a YouTuber?

YouTube is intended for users over the age of 13, however the App store rates YouTube as 17+ due to the content that can be found on there.

Have you heard of Ryan Kaji? He is the face behind the YouTube channel Ryan's World, which in 2021, earned a staggering £19m!!

Lots of YouTube channels centre around children so is it any wonder that many children aspire to have their own channel? How can we support and keep them safe though?

Posting videos

You should be over 13 years of age to post videos on YouTube. Talk to your child about posting videos, do they understand what information they should keep private and what to do if they receive negative comments? YouTube have produced these

tips: <https://support.google.com/youtube/answer/2802244>

Select an appropriate setting for their videos There are three different settings for videos published on YouTube:

- Public: anyone can view the video
- Private: video can only be viewed by users that you select
- Unlisted: only people who have the link to the video can view it.

Other tips: • Explore comment settings – comments can be held for review, specific words can be blocked and ensure your child knows how to remove and report comments if necessary: <https://support.google.com/youtube/answer/9483359>

- Visit your child's channel to see what videos they are posting
- Ensure your child knows how to block and report users if necessary.

How can I make YouTube safer?

Turn on Restricted mode as this restricts the availability of mature content. You will need to set up a Google account to do this.

Explore YouTube together and see what they like to watch. Make sure your child understands that they can talk to you if they see anything that makes them feel uncomfortable online.

Ensure your child knows how to report inappropriate content.

School Lunches

Please log into your SchoolMoney account and order your child's school lunch for the week starting 23rd May no later than Tuesday 17th May.

Please remember to order your child's **special Jubilee lunch for Thursday 26th May.**

Dates for your diary

26.5.2022 – Jubilee Celebration Day

Half Term

30.5.2022 – 6.6.2022

7.6.2022 – INSET – School closed to children

Wednesday 8th June – return to school

For Friends of Wroxton upcoming events see next page.

Attendance

Our whole school attendance target for the year is 96%.

The average attendance rate for this week was 95%, although overall our year to date attendance is still low at 93%.

Please do not make routine appointments within the school day and avoid term time holidays.

Did you know that arriving late can affect your child's attendance? Just being 5 minutes late each day is equal to 3 days lost in the school year.

Point Send is a charity supporting parents, carers, children and young people with Special Educational Needs and Disability.

The Max Card is the UK's leading discount card for foster families and families of children with special educational needs and/or disabilities (0-25 years). Families can use their Max Card at venues across the UK to get free or discounted admission. The scheme is designed to help families save money on great days out at castles, zoos, theme parks, bowling alleys, trampoline parks and many more.
