

## Eagles Term 1 Newsletter October 2018

What a super start to the year ahead! Foundation stage children have settled in so well to Eagles class and we have all made new friends. It has been lovely watching the Year 1 children show them how to do things and help them settle too. We have been learning all about Superheroes!

In Literacy we really enjoyed reading the story 'Supertato' and making our own characters out of potatoes or by painting them! We all wrote labels for our Supertatos!

Mr Professor Slime came to our school one day and was very bad. He left labels around our red area telling us to make the wrong choices and also left a huge pile of slime we had to explore! We had to be superheroes telling him how to make his signs into good choices. Here are some pictures of us enjoying feeling the slime and talking to Mr Professor Slime about what he did.
