

Eagles Newsletter

Term 2 December 2018

Another very busy and fun filled term of learning we have had in Eagles! Our topic Bright Lights, Big City has taken us to London to explore different famous landmarks/buildings and also go back in time in history. We had a tea party with the Queen and went to Birmingham on the train to The Think Tank museum.

We have really enjoyed learning about The Great Fire of London and have remembered so many facts. Come and ask us a question and we can give you the answers! We made bread rolls and looked at photos and videos of what London and its buildings were like back in 1666! Here is a display of our art work in the classroom.

I have seen some amazing detailed projects of work at home and the children have loved sharing these with the class. The children have worked so hard this term with their reading, writing and maths. It has been a pleasure watching them all progress and continue with their learning journeys. Next terms topic is Muck, Mess and Mixtures which should be a lot of fun!

I would like to take this opportunity to say a big thank you for all your help and support since I have been teaching the Eagles. They really are a fantastic class and I will miss every single one of them!

Miss Sof and I would like to wish you and your children a very Merry Christmas and a Happy New Year.

Miss Apps and Miss Sof
