

The Wroxton Weekly News

Here are 5 things that are worth caring about if you want to truly succeed.

1. Care about how you treat others.

Treat others the way you expect to be treated.

2. Care about your goals.

When you care about your goals, you are more likely to see them through.

3. Care about your time.

How often do you hear yourself and others say I do not know where the time has gone? Make it count.

4. Care about doing your best.

Only your best is good enough. If you care about yourself you will care about being the best you can be.

5. Care about those who have helped you along the way.

Care about those that have helped you along the way. How do you say thank you?

Thank you to the year 5 and 6 children who cared about how they were perceived taking visitors around our school. They all said how fabulous you were and how much you really care about our school.

Regards

April Guinness

Anti – bullying week

12th – 16th November was Anti-bullying week, however, due to other school commitments we decided to delay our activities.

Next week Wroxton will be marking "Anti-bullying week" whereby all of the children will be learning about ways in which we can respect each other and that everyone can be themselves.

The aims of the week are:

- To empower the children to celebrate what makes them, and others, unique and understand that it's important to choose respect.
- To help the children to understand how important it is that everyone feels valued and able to be themselves.

On Thursday (6th December) we are asking the children to wear odd socks, as a sign and outward symbol that it is fine to be different.

As your children come home next week please talk with them about what they have discussed and learnt at school about respect and valuing others.

It should be a fun and valuable exercise.

Swimming – Kites Class

Children in the Kites will be practising simple survival skills at swimming over the next couple of weeks. Monday 3rd December will be an introductory session and Monday 10th December they will put these skills into practise.

For this session, all children will need long pyjamas or a long sleeved thin top and leggings. No onesies, jeans, joggers or jumpers please as these tend to get waterlogged.

Weekly Quote

“You can't pour from any empty cup, take care of yourself first”

This Christmas we are fundraising for The Children’s Society who work with children in this country who feel scared, unloved and unable to cope. They run over 100 services across the country that listen, support and act to improve the lives of the most vulnerable children. The money we raise will help children who need care, security and support look forward to Christmas for the first time.

This year, we have several ways in which you can donate.

- Every child in the school has been provided with a Christingle Collection Candle for loose change.
- You can use a collection envelope to make a donation of any size and add Gift Aid to add 25% to your donation at no extra cost.
- You can give £5 by texting **ORANGE** to **70800**
- You can make a payment online at **Christingle.org/give**
- You can donate at the service you attend

This year is a very special one for The Children’s Society as it is celebrating fifty years of supporting vulnerable young people.

Please return collection boxes and gift aid envelopes no later than Tuesday 18th December.

School Dinners

Please remember to order your child’s lunches for the week beginning 10th December.

School Christmas Lunch

We will be having our Christmas lunch on Wednesday 19th December. Dinner is available to all, whether or not your child usually has a school meal. Please order using your *SchoolMoney* login.

If you need a reminder of your login password please speak to Mrs Sullivan.

Computer Club

There will be no computing club on Monday 17th December.
